4:30	Shaw's in Wilmington (transfer to Readsboro bus)
5:18	BRATTLEBORO TRANSPORTATION CENTER

**BUHS Dismissal Procedures:** Any students that are not returning to Wilmington directly from BUHS dismissal will take the MOOver Red Line that will depart 3:48 and arrive at the Transportation Center.

**BUHS half day procedure:** The MOOver Bus departs at 12:30 pm at BUHS, arrives Shaws 1:15 pm, route ends. Please note the half day runs based on the High School Schedule. If the high school has a full day, but middle school has half day, the MOOver will pick up at the end of the high school day.

**Delayed school openings procedure:** The MOOver delayed opening policy is as follows; Wilmington to BUHS will be delayed coinciding with the school's delayed opening. ***For example, if BUHS delays school opening by one hour, the bus will run one hour later.***

Students waiting for the bus between the scheduled stops above must stand by the side of the road and wave at the bus as it approaches so the driver can see you and pull the bus over. If you are standing at an unsafe stop, the driver will signal to you where to go to meet the bus and will wait for you there. We will accommodate everyone for the first time, but we will ask students to walk to a safer location, if necessary, for future stops. Remember it is dark when many of these routes run, so use a flashlight or wear bright clothing to grab the driver's attention.

The MOOver buses are not school buses and are open to the public. Our behavior policies are enforced by the driver and MOOver management, not by the schools. If your student has a problem, he/she needs to contact the driver immediately. When getting off a MOOver bus walk BEHIND it to cross the road, NOT in front of it. The MOOver buses do not have flashing lights that give you the right of way to cross a street. You are a pedestrian when you exit the bus and must yield to traffic.

**SCHEDULES ARE SUBJECT TO CHANGE DUE TO WEATHER OR TRAFFIC.**

**For more information call the MOOver Office at 464-8487 or go to [www.moover.com](http://www.moover.com), or the MOOver Facebook page.**

### **The MOOver Student Rider Policy**

All students riding any MOOver bus must realize that this is not a school bus, but it is a transit bus open to the public. There are rules and courtesies that everyone must follow and respect.

When you exit the bus, do not walk in front of the bus to cross the street. Wait until the bus has pulled away and cross behind it when traffic is clear. **WE DO NOT HAVE FLASHING YELLOW LIGHTS SO YOU DO NOT HAVE THE PRIORITY CLEARANCE TO CROSS THE ROAD.**

There is no standing on the bus when there are seats available. Leaving a knapsack on a seat, occupying two seats, or saving a seat is not allowed.

There are no open containers of drinks or food on the bus. If you spill something, ask the driver for materials for you to clean up. Do not litter – use the wastebasket in the front of the bus.

Face forward when sitting, and keep the aisle clear of your feet, legs, and carry-ons.

Profanity is not tolerated. The driver will give you one warning, and the second time you will lose your riding privileges.

Vaping, Juuling, or tobacco use, or any illegal activity is prohibited on the bus and will not be tolerated.

Excessive noise cannot be tolerated. The driver will pull over, call out for quiet, or will turn the inside lights on as a signal for everyone to keep the noise down.

Our local student riders are a top priority. If you are a local student rider and you are told there is no room on the bus, speak to the driver and let them know you are from the local towns. The driver can then address the space problem.

We have a schedule to maintain. We will not wait for someone who is late, or who got off the bus and then wants to re-board the bus.

The MOOver does not tolerate any rider's behavior that threatens the health, safety and well-being of the riding public. Any belligerent, violent, offensive, or inappropriate behavior will result in the permanent removal of that rider from the bus. Bullying, arguing with a driver, or other non-acceptable behavior will also not be tolerated.

Riding the MOOver buses is a benefit to the community and is the result of years of hard work, securing grants, and building relationships with riders. We welcome you onboard the bus, we're glad to have you, and we hope you will work with us to enjoy the service we are able to provide.

Any problems on the bus are to be addressed to the driver immediately. Parents are to call the office on the same day of occurrence of any concerns. The video from onboard security cameras is the property of the MOOver and may be used to resolve conflicts, which we are happy to work with students and parents and the police to resolve.

For driver compliments or complaints please call the MOOver Office at 464-8487. We look forward to seeing you on the bus!
