The MOOver

Operating since 1996, The MOOver operates public transit services throughout southeast Vermont and four neighboring towns in New Hampshire. Our vehicles feature Holstein spots which are eye-catching and popular with anyone who sees or rides on them. The Southeast Vermont Region features 23 routes serving 29 Windham and southern Windsor County towns. Each year we travel over 967,437 miles and 51,966 hours.

Mobile Outdoor Billboards

Buses are large outdoor moving billboards. Your message will be visible everywhere from village and town streets, and on major interstate highways. It will be seen by a wide variety of riders including residents, visitors, passing motorists, and pedestrians. With the Holstein-spotted motif, your message will stand out more than ever.

No price information or comparative language is allowed. The MOOver reserves the right to refuse a sponsorship request and to refuse an individual message presented by a sponsor.
